**DRUG EDUCATION & PREVENTION COMMITTEE RECOMMENDATIONS**

This Saturday, February 26th, the Perry Board of Education will be holding a public forum to obtain community feedback on the Education and Prevention Committee's recommendations. [View recommendations.](#)

The forum will be held in the Board Conference Room at the Tarbuck Center, 4325 Manchester Ave.

[02/11/2011]  
**A NEW LOOK FOR THE PORTAL!**

The Infinite Campus Portal has new look. Some of the improvements include:

- More efficient navigation between students for parents with more than one child in the district, making it easier for parents to view each student's information.
- Data access using an index on the left with a section for Students, Family, and User Account, making it easier for parents to find information they wish to view.
- Formatting and spacing of information in each tab has been improved making information easier to understand.
- Attendance tab provides multiple options for viewing summaries of attendance data. Attendance can now be viewed by course period, day and term. For each summary, drill-down capabilities have been added so parents can see the details for each attendance event.
- The appearance of day events on the calendar has been modified so that each event appears on its own line.
- A signature and date line as been added to the student registration request printout.
